

Our COVID-19 Plan

We're working closely with our partners to ensure your safety, and that of our drivers. We'll be disinfecting vehicles after every trip.

Commitment to safety.

We're doing our bit, and you should too. Stay home if you're sick.

Sanitise your hands.

For your safety, we offer hand sanitiser in all vehicles. Please use it when boarding.

Practice social distancing.

Maintain at least 2 meters distance from others.

Stay in your seat.

If you travel with us regularly, try and sit in the same seat each time.

Contactless payments.

We operated on contactless payment pre-COVID, so there's no changes there.

Practice good hygiene.

Cough and sneeze into your elbow.
Avoid touching your face.
Wash your hands often.
Avoid contact with people who are ill.

Handling luggage.

We're used to helping you out, but for the moment passengers will need to handle their own luggage.
